

I COME FROM

Originated in Italy.

From the Chianti region, Tuscany.

Sangiovese dates back to the time of Roman winemaking.

The name comes from the phrase sanguis Jove, which means "blood of Jove".

Jove was the roman name for "god of Jupiter".

I AM GOOD FOR

At the core of all Chianti wines.

The workhorse grape varietal of Central Italy.

Used for producing everyday drinking to premium wines in a variety of styles -
from red still wines, to rosato to sweet passito and semi-sparkling frizzante.
